This is the new KitchenAid K45 Food Preparer. It's the versatile home mixer with the exclusive single beater, round-the-bowl mixing action—the same action we build into the heavy-duty mixing equipment we make for bakeries, hotel and restaurant kitchens.

There are over a dozen K45 attachments that make light work of many tiring, time consuming kitchen chores. That's why we call it a food preparer instead of a mixer.

Contact a KitchenAid dealer or simply clip the coupon for more information.
