defy  
 convention

## SIDESHOTS BLACK

The epitome of convention defied: Sideshots Black. Hard angles with 1800-degree black ceramic-coated heat shields and finished off with an unconventional signature chrome badge and end treatment. Sideshots Black will force you to reconsider your definition of style, and challenge you to defy the convention in your life.

**VANCE HINES**

MORE POWER : LESS NOISE

## FUEL MANAGEMENT by FUELPAC

Designed specifically by Vance & Hines engineers for your motorcycle and exhaust system, Fuelpak is the most cost effective and easy to use fuel management system available. No more guesswork, Fuelpak creates fuel delivery that is so perfect, it makes you feel like a genius.
