Backroads R&R

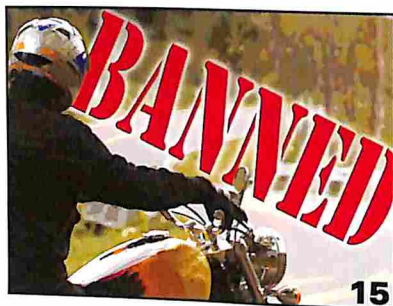

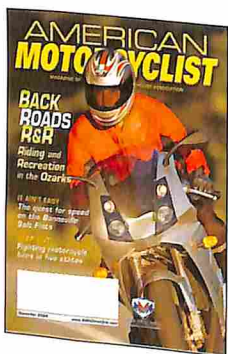

For great riding and recreation, it's hard to beat the roads slicing through the Ozark National Forest around Mountain View, Arkansas.

11 Good Reasons

Nobody ever said going 322 mph at the Bonneville Salt Flats was easy.

Cover: The MZ 1000S is about as common as a traffic jam on the quiet, curvy backroads of northern Arkansas. But it's a near-perfect bike for an Ozark tour. See page 20. Photo by Bill Andrews
