

# AMERICAN Motorcyclist

Journal of the American Motorcyclist Association

**On the Cover:** AMA Pro Hillclimb is a changing, and 17-year-old Brandon Kreeger is an example of what's different these days. Not only is he part of the sport's next generation, but his bike is too. Powered by a new Triumph triple, the machine offers another take on what can work on the hills. For a complete look at the changing face of pro hillclimb, see page 39. Photo by Bill Wood.
