chined of finest steel...beautifully blued.

495

McROY ADAPTER LENSES
for all popular peep sights. **495**

McROY ADAPTER LENSES

make for better target shooting by:

- 1** Silhouetting both front sights and scope reticles.
- 2** Increasing contrast between target whites and blacks.
- 3** Cutting haze.
- 4** Outlining targets on the range and in the field.

McROY ADAPTER LENSES

are precision made from special Bausch
and Lomb Balcote hard coated lenses.

McROY ADAPTER LENSES

add new effectiveness to your present
sighting equipment. Just slip in a McRoy
Adapter Lens and watch your scores go up

COVER

The Colt Frontier pictured on the cover is in the collection of photographer Everett W. Saggus of Elberton, Georgia. Mr. Saggus made the transparency with a 5x7 view camera on daylight Ektachrome, using blue photofloods for illumination. Length of hammer spur has been increased.

Published monthly by the National Rifle Association of America, 1600 Rhode Island Avenue, Washington 6, D. C. Domestic Rates (North, South, and Central America) \$4.00 a year, \$7.00 for two years, \$10.00 for three years; elsewhere add \$.60 per year for foreign postage. Entered as second-class matter, April 1, 1908, at the post office at Washington, D. C., under act of March 3, 1879. Copyright, 1950, National Rifle Association of America. All rights reserved. For change of address, give both new and old address as the latter appears on address label. Not responsible for loss or damage to unsolicited manuscripts or photos.
