THE NRA

The National Rifle Association of America is a nonprofit organization supported by the membership fees of public-spirited citizens. Its purposes are to educate and train citizens of good repute in the safe and efficient handling of firearms; to foster a knowledge of small arms and the ability to use them among members of law enforcement agencies and the armed services, and all other citizens who would be subject to service in the event of war; to promote social welfare and public safety, law and order, and the national defense. Membership in NRA is available to any reputable citizen of the United States upon nomination by a current member.

COVER

This month's cover, from a Western Ways transparency by Tommy Lark, is the work of a photographer who has earned a reputation for 'shooting' mountain lions. To get good closeups, Mr. Lark, with his camera equipment, climbs a tree nearby the one his subject is in. Sometimes, he climbs the same tree. Photo taken with a Speed Graphic using Ektachrome film
