## THE NRA

The National Rifle Association of America is a nonprofit organization supported by the membership fees of public-spirited citizens. Its purposes are to educate and train citizens of good repute in the safe and efficient handling of firearms; to foster a knowledge of small arms and the ability to use them among members of law enforcement agencies and the armed services, and all other citizens who would be subject to service in the event of war; to promote social welfare and public safety, law and order, and the national defense. Membership in NRA is available to any reputable citizen of the United States.

## COVER

The red fox on the cover was photographed in the Pocono Mountains in Pennsylvania. The animal was caught in its den, and released in a large enclosure in the woods. When it walked into the desired position, it was photographed with a 4x5 Speed Graphic camera using 3 strobe lights. The transparency was made on Daylight type Ektachrome film, and the exposure was between F8-11 at about 1/1000 second. Photographed by Cy La Tour, Monrovia, Calif.
