## 40 ARMORY TO AMERICA'S FIGHTING MEN

**THE COVER:** A trio of U.S. Springfield guns you won't see every day: U.S. Rifle M1903, serial No. 1; U.S. Rifle M1, serial No. 1; and U.S. Rifle M14, serial No. 2000, the first rifle marked "M14" and identical to the one presented to then-President Eisenhower. For more on the guns of Springfield Armory and its 200th anniversary, turn to p. 40. Design by Harry Lloyd Jaecks, photo by Bryan Payne.

### IMPORTANT NOTICE

As part of a plan that assures funding for the many serious legislative and political battles expected this year, NRA's leadership has decided to revise the publication dates of the *American Rifleman*. Your next magazine will arrive in early August. Thereafter, you will receive an issue of the *American Rifleman* every 35 days. We deeply appreciate your understanding and support during this crucial time for the Second Amendment.
