OFFICIAL JOURNAL OF THE NATIONAL RIFLE ASSOCIATION OF AMERICA

Vol. 108 No. 8

August 1960

## THE NRA

The National Rifle Association of America is a nonprofit organization supported by the membership fees of public-spirited citizens. Its purposes are to educate and train citizens of good repute in the safe and efficient handling of firearms; to foster a knowledge of small arms and the ability to use them among members of law enforcement agencies and the armed services, and all other citizens who would be subject to service in the event of war; to promote social welfare and public safety, law and order, and the national defense. Membership in NRA is available to any reputable citizen of the United States.

The views expressed in articles published over a by-line in THE AMERICAN RIFLEMAN are not necessarily the views of the Association or of any of its officers and staff. The advertisement or naming of a product or a service in THE AMERICAN RIFLEMAN does not imply that such product or service has been tested or approved by The National Rifle Association.

## What BROWNING Quality means to you

The word "quality" is meaningful only when explicitly defined. We speak of quality not as a vague generality but as a blend of very specific characteristics.

**It means functional design** to give the most efficient and effective performance and, among many things, involves the studied consideration of weight, balance, recoil, loading, trigger pull and safety features.

**It means sound engineering**, the careful selection of the finest materials and the vigilant supervision of their processing through machining, heat treatment, precise hand fitting and finishing.

**It means accomplished workmen**, highly skilled in their respective crafts and understandably proud of the matchless results of their efforts.

**It means economy to you**, for only well made things are inexpensive to own, and only things made well are really valued possessions.

You'll find this quality in the Browning Automatic-5... smooth, positive function each time you squeeze the trigger... a gun that will serve you surely, dependably every day you shoot, no matter how often or how much.
