THE COVER

This month's cover of a fawn is from a transparency made in the Big Fir area of the Mt. Baker National Forest in the State of Washington, by Phil Clarkson of Bellingham. His camera was a Soligor 66 using 2 1/4 x 2 1/4 Ektachrome film exposed 1/50 second at F/11.

**New 1963 edition of the
world's foremost arms manual
...the largest, most authoritative
volume ever published!**

No matter what degree of interest you have in guns, hunting and shooting, this book will sharpen your skill, double your fun and pleasure, save you time and money.

This new edition includes the very latest development in firearms... ultra-high velocity calibers... fast, flat shooting cartridges... the newest innovations in shotshells for scattergun enthusiasts... new models of rifles, shotguns, handguns... new improved reloading tools, scopes, mounts, sights and secondary accessories.

Plus many special features by leading firearms authorities you'll enjoy reading. How to tune up a hunting rifle. How you can fire big game guns IN YOUR LIVING ROOM! Tips to help you find better hunting. Hunting on horseback, and much, much more. Almost 600 pages that cover guns and shooting from A to Z!

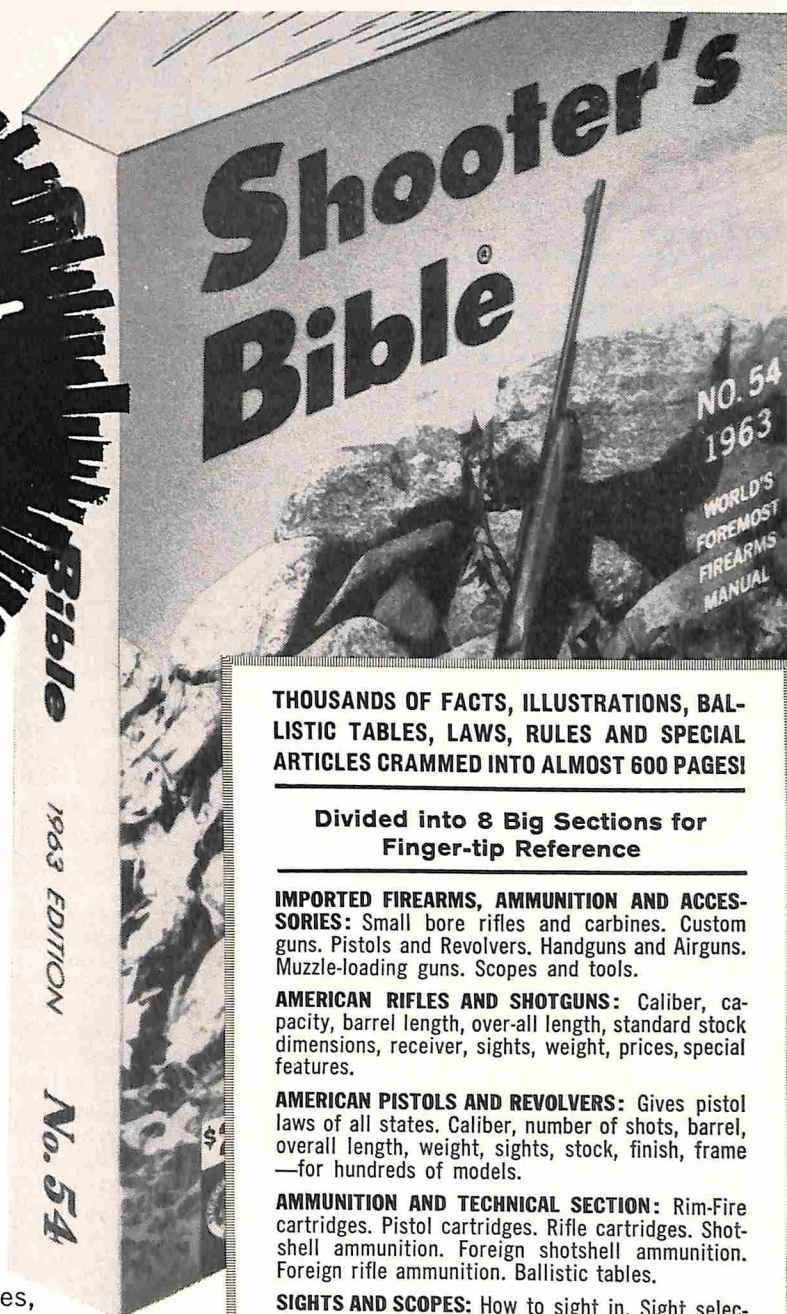

**SUPPLY LIMITED! DON'T BE DISAPPOINTED!
MAIL COUPON NOW!**

Only \$2.95, the SHOOTER'S BIBLE is one of the greatest reference book values ever offered. But our supply is limited. Orders will be filled as they are received. Make sure you get your copy promptly—either for yourself—or as an ideal gift for your hunter and shooter friends. Mail coupon TODAY!

Deluxe hard-cover edition available at \$5.95.
