THE NRA

The National Rifle Association of America is a nonprofit organization supported by the membership fees of public-spirited citizens. Its purposes are to educate and train citizens of good repute in the safe and efficient handling of firearms; to foster a knowledge of small arms and the ability to use them among members of law enforcement agencies and the armed services, and all other citizens who would be subject to service in the event of war; to promote social welfare and public safety, law and order, and the national defense. RUGGED as the Rockies...

Smooth as silk

SUPERPOSED by BROWNING

What better expression than RUGGED could describe this carefully engineered and calibrated mechanism of toughened superfine steel—your assurance of trouble-free service for a lifetime.

And SMOOTH so clearly portrays its swift, silky function, its matchless design, a fit and finish only the most skilled artisan can accomplish—your promise of a new experience in effective shooting.

Shoot it all you can, as long and as often as you wish. After years of incomparable performance, you will find that your Superposed cost no more than 2¢ for each of the thousands of boxes of shells it fired with unerring certainty.

*The Superposed gives you the most
for the very least.*
