THE NRA

The National Rifle Association of America is a nonprofit organization supported by the membership fees of public-spirited citizens. Its purposes are to educate and train citizens of good repute in the safe and efficient handling of firearms; to foster a knowledge of small arms and the ability to use them among members of law enforcement agencies and the armed services, and all other citizens who would be subject to service in the event of war; to promote social welfare and public safety, law and order, and the national defense. Membership in NRA is available to any reputable citizen of the United States upon nomination by a current member.

COVER

This powder horn, made by LaDow Johnston of Toledo, Ohio, was presented to guest speaker Lt. Gen. Lewis B. Hershey, USA, by the National Rifle Association at its 86th Annual Members Banquet, Mar. 28. The horn is engraved with a map of General Hershey's boyhood home in Indiana and shows the Hershey farm and neighboring farms as well as the school Hershey attended and the lake he swam in as a youngster. Mr. Johnston made a special trip to this Indiana area to gather facts about General Hershey's early life for use on the horn. The transparency was made by NRA Photographer Paul B. Gunnell, Jr., on Ansco Tungsten 4x5 film under 3200 K. floods using a Speed Graphic with Schneider Symmar lens
