Old Time Quality and Value

For more than three-quarters of a century these have been the first choice of small game hunters, young marksmen and just plain plinkers. Sleek slide-action speed and reliability plus an extremely safe design make these perfect for beginners and an heirloom to pass on to your son or your grandson. Three styles, two finishes and two calibers, .22 LR in rifle or carbine with blue or nickel finish — or blued rifle with octagon barrel in .22 LR. Also the new M59 rifle chambered for the potent .22 Magnum. They're hard to beat for service... can't be beat for price!
