Armour's Fixed Flavor Star Bacon.
 Read about it. Taste it. Get the free book
 which shows 36 economical ways to enjoy it

HERE is the tenderest, sweetest bacon that ever broke under a fork—the new Armour Fixed Flavor Star Bacon. Who could resist such bacon?—this wonderful food produced by Armour and Company's rigorous standards of selection and exclusive, new cure-and-smoke method.

Under our controlled smoking, the hunger-spurring aroma

of smouldering hickory works through every ounce of the meat. This process involves as accurate application of heat as you use in baking. The result is Fixed Flavor—a brand-new bacon-flavor such as you have never known before!

Taste it! Then you'll know how good bacon can be. But don't stop at bacon-and-eggs.
