**28.** Ah, the rewards of being a race car driver! Unfortunately for Asher, once his helmet was removed, the lovely Ms. Ryall refused a repeat performance. "There are limits, you know," she said. Asher and Britt know no limits when it comes to high performance driving. In fact, during their schooling they both found out they knew very little of anything about driving.

**52&60.** Jeff Smith swears that this is the only hula dancer he saw during his recent Hawaiian visit. Sure, Jeff, and they don't grow corn in Iowa, do they? Well, he may have missed the beautiful women that everyone knows help make up the scenic wonders of Hawaii, but he certainly didn't miss many of the outrageous street machines.

**74.** For these hard-core fans, the trek from Alaska to Florida for the Gatornationals was well worth the effort. They ended up with a lot more than suntans, too. What they saw was probably the most dramatic drag race in the last couple of seasons, as so ably reported by Rick Voegelin.
