

IN THIS ISSUE

December 1969

VOL. 23, NO. 12

THE MONTHS AHEAD

The coming slump expected to be brief . . . the government will soon give out test results on items it buys . . . medicare going up . . . and so are the costs of having a baby. News about the draft on page 4 and toy ideas on page 6. **3**

THE POOPED GENERATION

Meet Dr. Bigelow Wynkoof, leading authority on the problems of the middle-aged. Here he explains in layman's terms why these people are tired, irritable, jumpy. The clinical cases he cites may sound like something you've been living through. **7**

GYPS THAT THRIVE AT CHRISTMAS

A reminder to be on the alert for the seasonal swindlers and their schemes. **12**

13 CHANCES TO CUT YOUR TAXES

They are all things you'll have to take care of before this month is over. **13**

MAKING A LIVING SELLING INSURANCE

The agent who is willing to work long hours can pull down a pretty good income. What he also needs is a desire to help people and an ability to take rebuffs. **15**

YOUR QUESTIONS ANSWERED

Replies to queries sent in by readers . . . things you may have wondered about. **18**

A PRACTICAL MAN'S GUIDE TO WINE BUYING

Learn the four types of wine and the clues that labels give you about quality. With these basics you can develop your taste, knowledge and shopping skill. **19**

WHAT TO LOOK FOR IN AN ANNUAL REPORT

Don't toss it aside if you own or are thinking of buying stock in the company. **23**

★ THE 1970 CARS *All the facts & figures in a special section.* **25**

WHAT'S GOING ON IN SCHOOLS & COLLEGES

Changing dorm policies . . . an experiment with rewards a child wants . . . more aid for minority-group law students . . . some examples of innovations in high schools. **33**

PUT A TROPICAL FISH IN YOUR TANK

And have yourself a hobby that's relaxing, inexpensive, interesting—and quiet. **35**

THINGS TO WRITE FOR

A group of recent reports, pamphlets, booklets . . . some are free, all are useful. **38**

ELECTRIC GROOMING GADGETS

Nobody actually needs them, but they do make looking nice easier and more fun. **39**

WHEN A YOUNG MAN STARTS INVESTING . . .

Should he put his money into an investment company or choose his own stocks? Here's some general guidance, plus examples of funds and companies to consider. **41**

DID YOU CATCH THESE POINTERS?

Test yourself with some questions based on recent articles in this magazine. **46**

“MOTHER, LET ME DO IT MYSELF!”

When does a parent grant which freedom? How do you strike the right balance? **47**

ARE MOUTHWASHES REALLY ANY GOOD?

There's plenty of controversy about just how effective they are in overcoming bad breath, killing germs, easing sore throats. Meanwhile, millions use them. **49**
