

# IN THIS ISSUE

October 1969

VOL. 23, NO. 10

## THE MONTHS AHEAD

*Draft calls down till year end, then up again . . . shorter work weeks . . . land prices soaring . . . auto insurance rates rising for some, dropping for others.*

3

## THE DOLLARS YOU GIVE TO FIGHT DISEASE

*Figures to help you decide which of many good causes you want to support.*

6

## WHAT LIVING IN A MOBILE HOME IS LIKE

*A personal report from a family living in one . . . what they think about space ("we've learned to get rid of things"), construction ("hold back the wall when you pull out a plug"), location ("we have a tree we think of as ours").*

7

## GO AHEAD, TAKE THAT TYPING COURSE

*Practically everybody needs to know how to type at some point in his life.*

12

## GROCERY SHOPPERS' 44 PET PEEVES

*Do any of these show up on your own private list of favorite frustrations?*

13

## WHO WILL GET THAT PROMOTION?

*Sometimes it's the man next in line or the one who always agrees with the boss, but more & more companies are looking at past performance and future promise.*

15

## IF YOU QUIT PAYING ON YOUR LIFE INSURANCE

*You could choose one of several options to get some continued protection.*

18

## SHOPPING TIPS: DESK AND STUDY LAMPS

*Here are the features you should check when you buy a lamp for desk work.*

19

## MAKE YOUR CAR TOUGHER TO STEAL

*Most thefts are done by young amateurs, and you can thwart them if you try.*

21

## FALL & WINTER BOOKS

*Short reviews of new books . . . fiction, current events, history, biography, sports, nature & popular science, poetry, reference books, mysteries, the supernatural.*

Pages 24-33

## YOUR QUESTIONS ANSWERED

*Replies to queries from readers . . . things you too may have wondered about.*

34

## VETERANS BENEFITS TODAY

*There's all kinds of help available for men coming out of the armed forces.*

35

## TIME TO REMODEL THE KITCHEN?

*Take it step by step and you'll survive the chaos. Study pictures, make lists, get an idea of appliance prices, then find a good kitchen planner to guide you.*

37

## THINGS TO WRITE FOR

*Recent reports, pamphlets and booklets. Some are free . . . all are useful.*

40

## SO YOU WANT TO MAKE A KILLING IN THE MARKET

*Speculating is dangerous and demanding, not a game for the ordinary investor. If you're determined to go for the fast buck, heed 11 widely accepted rules.*

41

## WHAT'S GOING ON IN SCHOOLS & COLLEGES

*Items about graduate students serving as teachers . . . homework for grade-school kids . . . the outlook for education costs . . . careers that don't require college.*

45

## PLAY THE WHO-MAKES-IT GAME

*See how many of these curious new companions in industry you can identify.*

47
