22 DIAL IN YOUR CARB

We ask industry experts the top 19 questions to help better tune your carb for the street and 'strip, including tips for supercharger blow-through applications.

34 5 DEEP

It was only a matter of time before we got rid of the old slushbox in our second-gen. We got the Camaro down to Classic Motorsports Group where they swapped out the old Turbo 350 for their Elite package, which includes everything needed for the do-it-yourselfer.

42 THE MISFIT 327 PART DEUX

With the initial testing complete on our 327 small-block, it was time to check out our mule's potential with a little boost. This time around we took it off mill. We just
