CONTENTS

TECH

22 3-WAY SMALL-BLOCK SHOWDOWN

It was impressive. Deadlines were short. We had three engines built in less than two weeks' time and flogged them on the dyno, and we even reveal prices.

40 16 LASHES

Sometimes the fastest way to learn is to do it yourself.

44 A BIG SHOT OF POWER

Further proof that nitrous can be your best friend.

EVENT

84 THE YEAR ONE EXPERIENCE

Blend in a mix of drag cars and open-track wheelers, and you have the ultimate car-guy encounter.

ON THE COVER

Patience is a virtue, and such was the case with Bill Unruh and his ProCharger-packin' '68 Camaro. Bill not only spent an entire afternoon with art director Dave Conrey and Henry D to get the initial feature shot, but braved the streets again a week later to have shooter Wes Allison catch him in motion for this month's cover.
