COVER: This year, the Knoxville Nationals got a new winner, Sammy Swindell, but predictably, the action was close, as Rudy Roe's action shot reveals. Doug Wolfgang finished second at the August classic. A week later, NASCAR's Grand National drivers were troubled by the cracked and patched surface of Michigan International Speedway in the Champion Spark Plug 400. Dozier Mobley captured the action as Terry Labonte led the field into the first turn on the first lap.
