COVER: Not all NASCAR racing is in the Winston Cup category, and some of the most exciting competition comes from the other NASCAR divisions of Grand National Sportsman, Modified, and Late Model Stock. All three of these divisions ran at Virginia's Martinsville Speedway this spring, in typical all-out fashion. Several drivers had an opportunity to score in more

than one division on that weekend, and the complete details of their efforts begin on **page 22**. Jimmy Morrison was on hand to capture Brett Bodine's Modified victory and the LMSC win of Elton Sawyer. Richard Oakley caught Morgan Shepherd in action enroute to his first place finish too.
