### HOT LICKS:

Bejeweled, sequined headbanger bands like Kiss, led by fiery bassist Gene Simmons, powered the early-'70s glitter era, one of rock's many ages

# entertainment

FRIDAY, NOVEMBER 9, 1990

## NEWS & NOTES

**6/Final Cut:** *The Last Picture Show*, with a steamy new scene, will be out on video next spring...Stars sing for a *Simpsons* record...Hollywood sights bite the dust in a TV movie...William S. Burroughs talks about shooting *Naked Lunch*...CBS patriarch William S. Paley dies...Eric Bogosian is taking his stage act to the screen.

## FEATURES

**12/Thirty-five Years of Rock & Roll** Has it really been that long? Roll over, good reader, it's time to hail, hail rock & roll with our salute to the legends of the big beat, their good times and bad times since 1955, their best albums, and our picks of the 35 greatest rock acts of all time—from the Stones to the Sex Pistols to the Supremes.
