Features

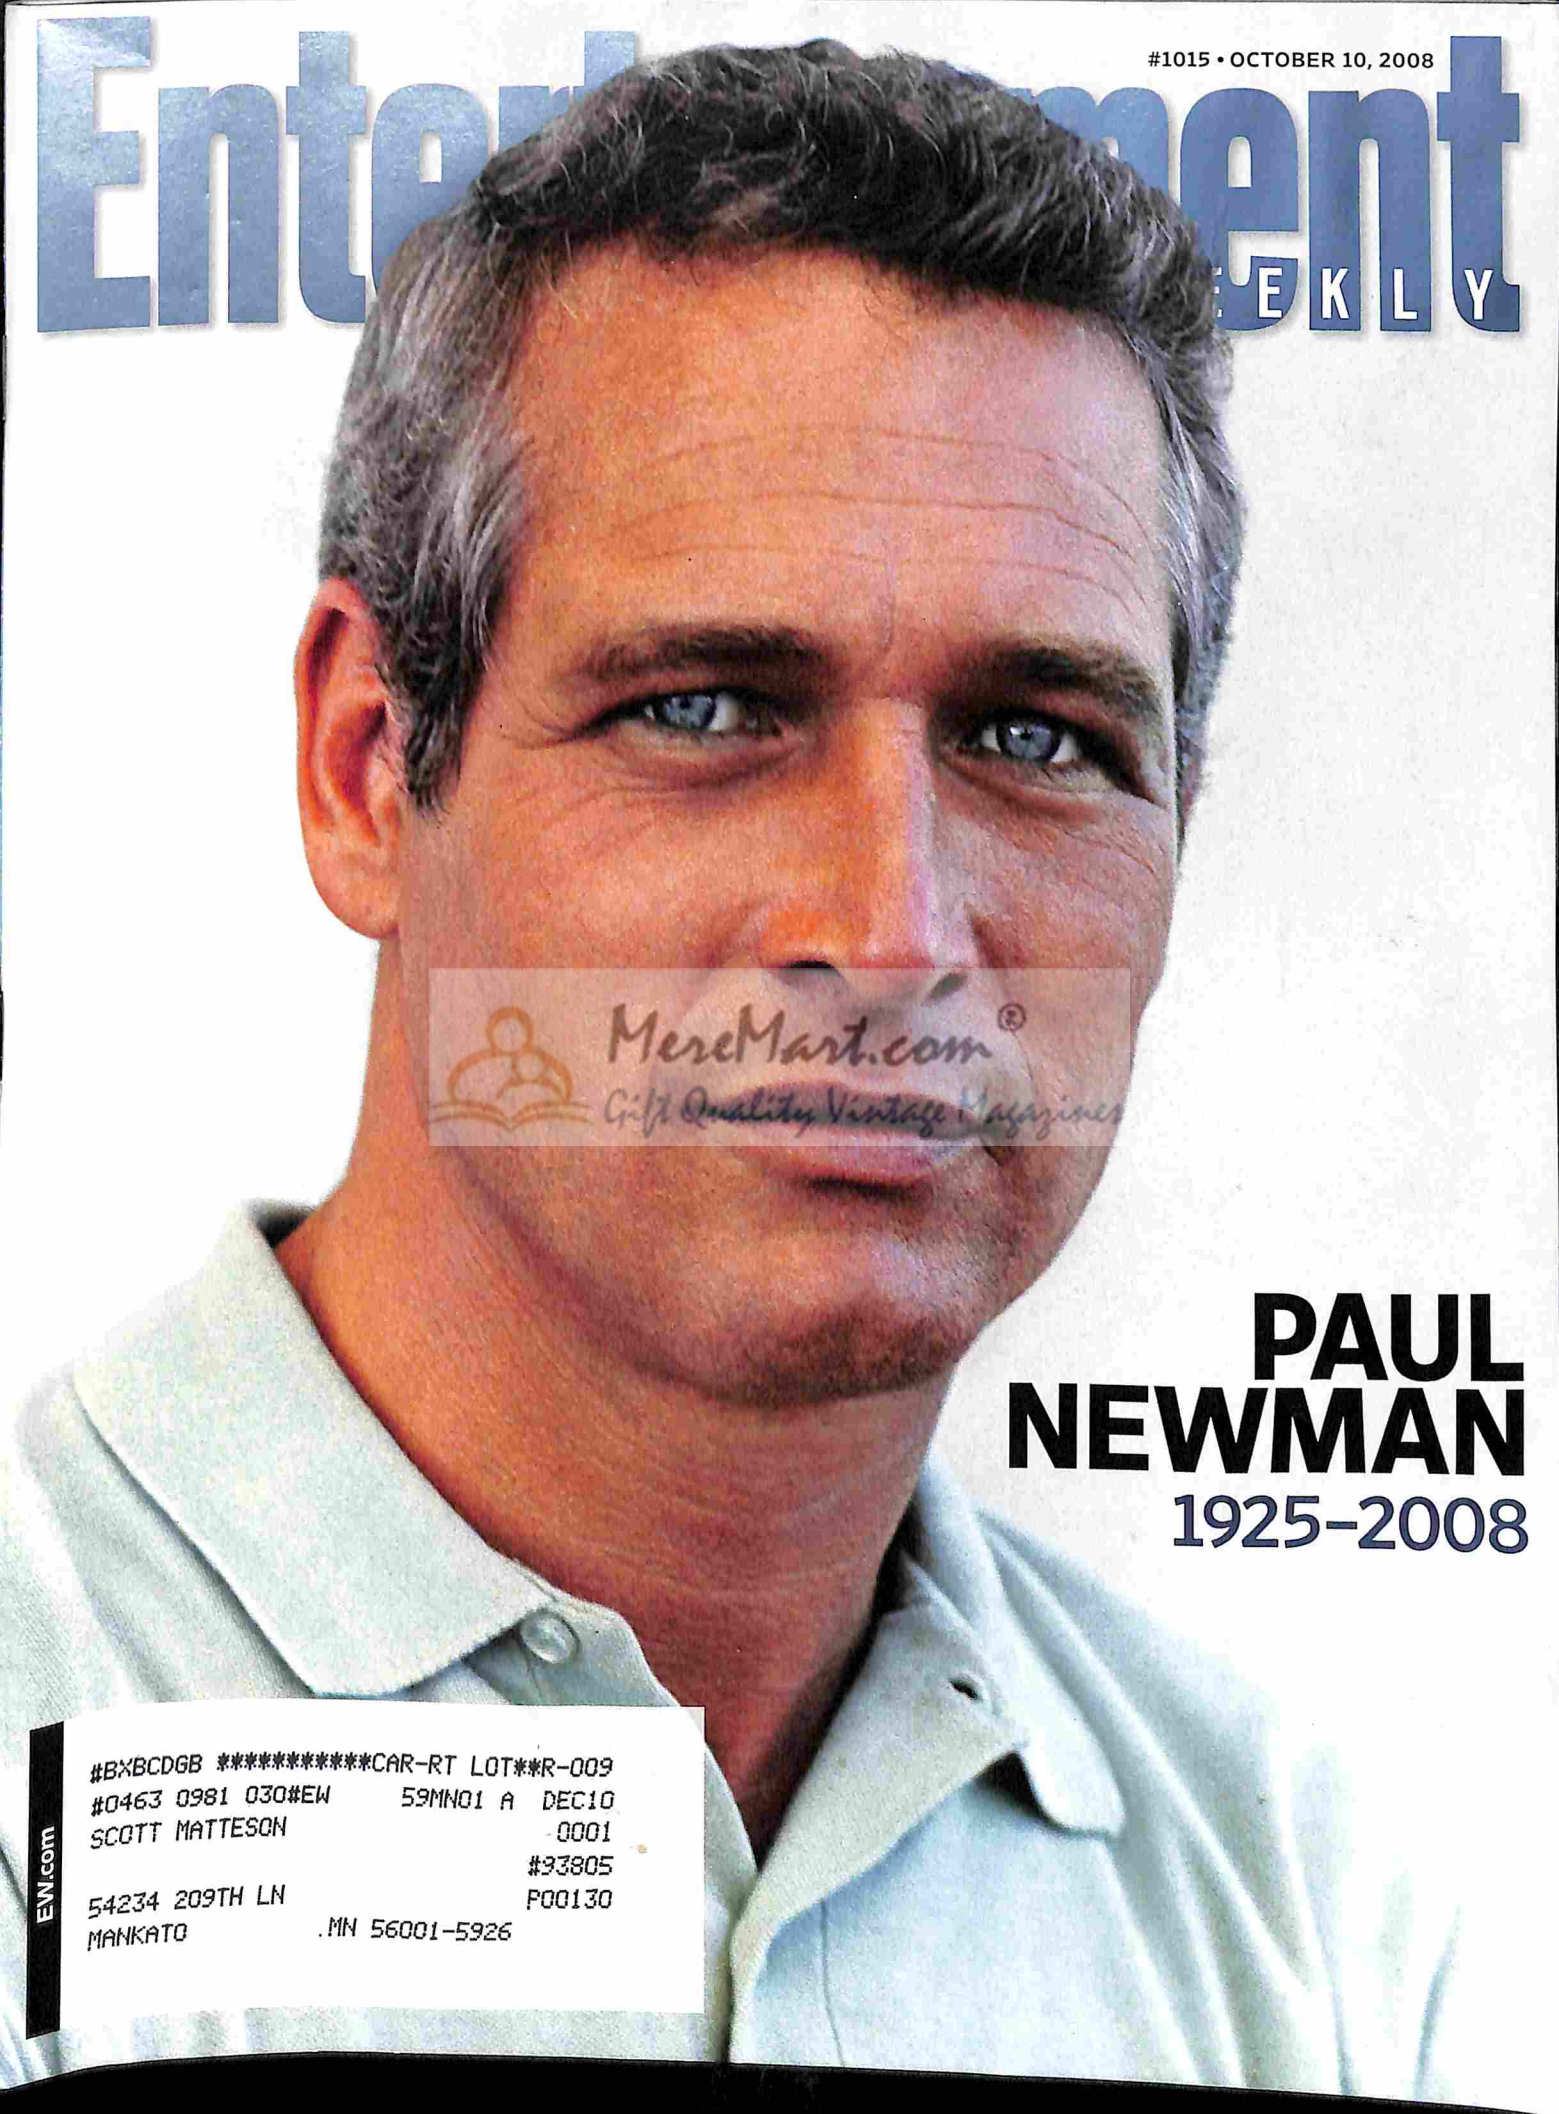

- 22** Paul Newman: 1925–2008 He was a riveting actor who dug ever deeper for his roles, a philanthropist and devoted husband, a man of conscience who rejoiced when he made Nixon's enemies list. Remembering a legend and a life. Plus: the essential Newman filmography and a collection of fan memories. By Mark Harris
- 38** True Believer You don't write 14 best-sellers in 14 years by accident. Inside the relentless, romantic, exhausting, and critic-proof plan of Nicholas Sparks. By Karen Valby
- 44** Jimmy Kimmel Deserves Some Respect ...but he isn't getting much. The ABC late-night host has captured growing buzz and ratings, so where's the love? By Lynette Rice
