LOST BONANZAS

Tales of Legendary Lost
- Mines of the American West
by HARRY SINCLAIR DRAGO

It is with genuine lost bonanzas of gold and silver, such as the Lost Dutchman Mine, the Lost Adams Diggings, and the Lost Gunsight, among others, that these accounts of fabulous wealth, violence, and savagery are concerned. The author tells of the treasure seekers who, for a century or more, have risked (and often lost) their lives hunting for the lost lodes that lie in the mountains between Texas and Idaho.

"The best no-nonsense book on buried treasure that has appeared in many years." *St. Louis Globe-Democrat.*
