COVER STORY

- 50 Telework Exposed** HOC follows hot on the trail of telecommuter Yasmin Ben-Dror as she makes the transition from a corporate office environment to her home office. Close observation reveals the techniques she uses to stay in touch and be productive in both locations.

By Chris Sandlund

- 44 Burgeoning Home Businesses Find Room to Grow** Even if your business is growing fast, you don't have to move out of your home. Business owners share the creative ways they found to run expanding businesses in existing home office space. By Jeffery D. Zbar

- 56 ASP Versus PC** Application service providers let home officers access data and programs from any device, rather than relying on PC-resident programs. But how good are these ASPs, really, and can they replace the PC? By Eric Grevstad

Telecommuters face many challenges when they work from home. HOC spends a day with Yasmin Ben-Dror. **PAGE 50**
