### LIFE'S PICTURES

Ralph Crane, who recorded Sidney Greenstreet's method of committing murder (pp. 49-51), directed the re-enactment of this movie scene. Crane has been working in Hollywood for LIFE for a year and a half. In recent months he has photographed *A Christmas Carol* (LIFE, Dec. 25), Super-Gadgeteer Roy Ellinwood (Dec. 11), California Sun Fashions (Jan. 22). In the picture at the left he is sitting in the bright winter sun of southern California, holding his Rolleiflex camera.

The following list, page by page, shows the source from which each picture in this issue was gathered. Where a single page is indebted to several sources, credit is recorded picture by picture (left to right, top to bottom) and line by line (lines separated by dashes) unless otherwise specified.

*All the moonlight—  
and-magnolia charm a girl  
could ask for is in Munsingwear's  
new spring pajamas and nighties  
...like this lace-trimmed dream  
with a form-divine waistline.  
But more than that: these soft,  
sheer knitted fabrics stay lovely...  
that good, comfortable fit  
lasts and lasts. Sweetness with  
stamina...an old Munsingwear  
idea that's here for good.*
