

The Way We Live

When their daughters joined David Koresh's cult, the Andrade family tried everything to get them back. But on their **last trip to Waco**, they finally had to say goodbye.

42

Face to Face

78

Workaholic **Jerry Seinfeld** finally takes a vacation. He likes the airplane's john and the nightlife in Paris, but he's not sure he approves of the French diet.

The **patterns of nature** are all around us—in rose petals, pinecones, rivers and streams. Photographer William Neill captures their intricate beauty.
