- 3 Raising the Cross in Russia**  
Doors are open to the Gospel in Russia that haven't been open in 70 years. Because those doors could slam shut at any time, Lutherans are scrambling to bring Christ to the country while they can.
- 8 AIDS and the Community of Faith**  
AIDS is scary. But with God's love, the church can reach out beyond its fear to embrace even those afflicted with this horrid disease.
- 11 Harmony and Faith for Young Musicians**  
Sometimes dubbed a "Lutheran Interlochen," Lutheran Summer Music works hard at developing high-school musicians into music leaders for the church.
- 13 A Heart for Seoul**  
As the subway train moves under the streets of Seoul, a Korean student strikes up a conversation with a Lutheran from America. His questions are many.
