

# Mutual Funds

JUNE  
2000  
VOLUME 6  
NUMBER 8

## Features

### INVESTING STYLES

- 44** **The Nasdaq: Who Needs It?**  
Want to leave the technology-laden index in the dust? Place your bets as a lineup of experts offer several strategies for beating the tar out of the benchmark everybody loves—and hates.  
BY CLINT WILLIS

- 50** **Which Style Wins?**  
If large-cap growth stocks are fading into the autumn of life, it will soon be springtime for another investment style. A look at 20-plus years of returns could help you pick the sector in the sun.  
BY MAGGIE TOPKIS

### BOOK EXCERPT

- 52** **Inside a Hot Fund**  
Can our hero beat the index? Will the company executives let slip the crucial information he needs to survive? Tune in to the real-life adventures of a highflying fund manager.  
BY MOLLY BAKER

### ANNUAL GUIDE

- 61** **5-Star Funds**  
Looking for consistently superior returns with lower risk? Somewhere in this list of funds, broken into nine categories, is the investment of your dreams.

Aggressive Growth Funds .....	62
Growth Funds .....	63
Growth & Income Funds .....	70
