

# A COLD CASE

Philip Gourevitch

"Fascinating . . .

Beyond the outright suspense . . . is a meditation on the very essence of crime."

—Janet Maslin,  
*The New York Times*

"On the brink of retirement in 1997, a New York City detective hunts down . . . a fugitive wanted for a 27-year-old double murder.

[A] page-turning, film noir suspense."

—The Wall Street Journal
