SEBASTIAN FAULK

International Bestseller
from the author of
Birdsong

"Beautifully written...
extraordinarily moving."

and conjurer's gift for evoking
time and place make this...
a story of quiet
and terrible
power."

and profound...
perfectly constructed, and
admirable in its configuration
of place and period."

EVERYBODY SHOULD RECEIVE FINANCIAL ADVICE.
BUT SHOULD EVERYBODY
RECEIVE THE *same* FINANCIAL ADVICE?

They say the information age has made a world of investment information and commentary accessible to everyone.

We say one person's investment information can be another person's misinformation. Even the most astute investors recognize that information alone, delivered indiscriminately, is not enough. That's why our clients have something far more valuable: the customized advice of a PaineWebber Financial Advisor. Someone who can combine the insights of PaineWebber research with an understanding of your individual investment goals. To not only put that information into context for you, but determine what strategies are right for you. Someone who can help you identify not only what to buy and sell, but when. And be your sounding board during the short-term ups and downs. When you realize the difference between access to customized advice versus access to mass-market information,
