The new cast
recording.
From Broadway Angel

Stephen Sondheim introduced Broadway to the "concept musical" 25 years ago when *COMPANY* opened for the first time. Now on its first revival, Broadway Angel presents the new cast recording of this groundbreaking work. Featuring new lyric revisions by Sondheim as well as "Marry Me A Little," a song that was cut from the original production, this is the essential recording of a landmark achievement. Sondheim's disarming melodies and witty, ironic lyrics on such modern classics as "The Ladies Who Lunch," "The Little Things You Do Together," and "Someone is Waiting," are exquisitely captured here by Grammy Award winning producer Phil Ramone, and a cast that includes Tony winner Boyd Gaines.

Stephen Sondheim's *COMPANY*.
