YOU WANT GREAT PIMA, GO TO LIMA.

Peru's not exactly around the corner, and the flight going over can be a little bumpy. But the journey's worth it, as soon as we feel the silky softness of the long-staple pima cotton that grows there. *Suave como el pelo de un angel*, is what they say in Peru — "soft as the hair of an angel."

As direct merchants, we specify every fabric, every feature, every stitch of every Lands' End product. Better fabrics and more features than you'll find most other places, because we've always been on the finicky side.

The Peruvian Pima Polo you see here is

a prime example. Soft as the hair of an angel, yes, but beautifully made, with smoothly taped neck and shoulder seams, longer three-button placket, all the other niceties you'd expect in a shirt that's just as comfortable under a blazer as it is bending over a long putt.

It's yours in eleven colors, along with a whole world's worth of great products, online or in our catalog. However you shop with us,

you'll love the way we treat you — more like a friend than a customer.

No headaches, no hassles. It's the way shopping should be.
