## De-Aging Expert.

When skin begins to show its age, that means it's slowing down.

New skin layers—formed rapidly in younger skin—now take longer to surface. So the top layers stay on too long. Look dull. Old.

Dermatologists know one sure way to help reverse the look of aging: gentle exfoliation. Unique for this job is 7 Day Scrub Cream from Clinique—applied with your own hands every day of the week.

7 Day Scrub Cream wakes up skin. Speeds off tired old top layers, encouraging skin to renew itself at a faster, younger rate. Smoothes texture. Takes the edge off tiny wrinkles. Leaves a glow.

Find it—plus a free skin analysis with the Clinique Computer—wherever Clinique is sold.

7 Day Scrub Cream gives skin a younger look. It's dependable. It's delightful. It's de-aging.
