THE NEW YORKER, SEPTEMBER 26, 2005 13

WHO WOULD EVER HAVE THOUGHT
RIPLEY, SURREY
WOULD BECOME THE OTHER HOME OF
MISSISSIPPI DELTA BLUES?

A world from Mississippi, a young man listens to Delta blues on the BBC. He feels its intent. Appreciates its ethos. Unwilling to just mimic those legendary riffs, he takes a hand at reworking them; and at 17, Eric Clapton takes his passion for blues to London. Over 45 albums later, the end of his career is nowhere in sight. Just like Mississippi's delta from the center of Ripley.
