ON THE COVER: In the most ambitious biology project in history, the Human Genome Project will decode the body, revolutionizing medicine and raising fundamental questions about privacy and fate. A special report on **what it will mean for you.** **THE ELIÁN SAGA:** In a showdown that seems a cross between a cold-war skirmish and a soap opera, the Feds, Fidel Castro and a divided family go to war over a little Cuban boy. **What's the endgame?** **PEDRO'S HEAT:** He may just become the best that ever was. On the mound—and off—with Boston's Pedro Martinez.
