

A New Strategy For Iraq

What we're doing isn't working. Winning is no longer a question; it's about avoiding total defeat. Fareed Zakaria on what must be done, from troop levels to diplomacy. **Page 26**

How controversial 'Hell Houses' depict what some believers say are the wages of sin. **Page 52**

History is hot. From Bond to Batman to Lecter, behind the rage for backstories. **Page 62**
