

APRIL 1969 Founded in 1872/Vol. 194 No. 4

HIGHLIGHTS OF THIS ISSUE:

Amazing Radial Engine in Pontiac's Mini-Car PAGE 63
It's an air-cooled, two-stroke, unsupercharged radial engine. That's half the story. The other half: a wild, wild crankshaft arrangement.

Strange Devices That Found the Sunken Sub Scorpion PAGE 66
PS Exclusive: A top Navy scientist tells how the search ship Mizar probed 10,000 feet beneath the sea to find and photograph the doomed nuclear sub.

Condon Report on UFO's: Should You Believe It? PAGE 72
Space ships? Little green men? Here's what the controversial University of Colorado study says about them—and what PS says about the study.

Polaroid's New \$30 Color Camera PAGE 88
Take a look at Polaroid's lowest-priced color camera—and five other new Polaroids.

Big Spring Section: Improve Your Home PAGE 134
Need room dividers? A new bath? A retreat for the man of the house? PS tells you how to get them—and lots more—in this 30-page home-improvement section.

Rapala

FISH 'N FILLET™

World's
most famous
fillet knife

Filleting is fast and easy with the Rapala Fish 'N Fillet. Hand-ground, razor sharp, curved flexible blade. Special tempering insures long lasting cutting edge. Re-sharpens easily. Stainless steel with brass and German silver fittings resist corrosion. Beautiful contoured grained birch handle. Distinctive sheath is thick, hand-tooled leather with Laplander embossing.

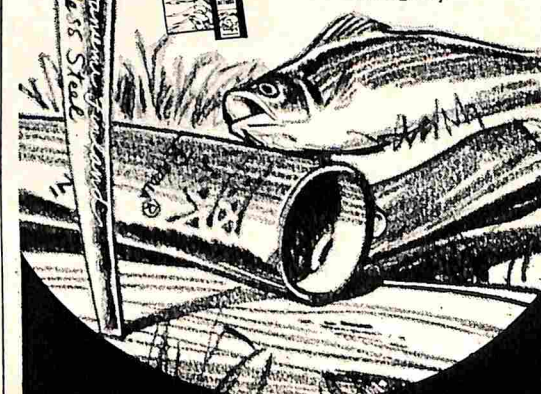

Handy around campsite... great in the kitchen... a must in the charter boat.

Ideal gift

\$4.50
