JUNE 1998

Volume 32, Number 6

32 Carl Von Hofgaarden wanted a traditional street rod with power to spare, so he had Art Christman build him a 650hp blown Chrysler Hemi for his pristine Deuce Tudor.

SPECIAL SECTION: Wicked & Wild

- '32 Ford Highboy Roadster** 27
With 500 hp on tap, this roadster will make you say "Geez Louweez."
- '32 Ford Two-Door Sedan** 32
With a blown Chrysler for power, this black chariot is "Wicked and Wild."
- '38 Chevy Coupe** 35
When you install a 500hp Hemi in a Chevy, it takes "Science and a Six-Pack."
- '33 Ford Coupe** 38
Strap yourself behind the wheel of this car, and immediately you're "In Jeopardy."
- '37 Ford Club Cabriolet** 42
What does a used car salesman drive? A "Cream Puff Cabriolet" with a Chevy big-block.
- Blower Buyer's Guide** 114
If you want a wicked and wild street rod, put a blower or supercharger on your engine.

TECHNICAL & HOW-TO TECH

- Olds Engine Rebuild** 48
We turned a '65 4-4-2 400ci engine into a "Hairy Old Oldsmobile."
- Classic Chevy Brakes** 63
Adding a power booster and dual master cylinder will "Give It A Brake."
- Big-Block Engine Installation** 71
A 468ci Chevy big-block turned this truck into a "Tire-Fryer '40."
- Cool Your Car** 98
We'll show you an easy way to "Cool It, Man."

RODS & CUSTOMS

- '62 Chevy Bel Air** 131
Jim Ward created a cool cruiser out of a big, heavy Chevy.
- '49 Ford Three-Window Coupe** 144
You don't have to be a "Stanford Graduate" to build a really cool shoebox Ford.
- '56 Ford F-100** 154
The key elements of this cool pickup are "Flames & Louvers."

ON THE COVER: This blown Chrysler Hemi-powered Deuce sedan sat still long enough for Scott Killeen to take a few photos. Mike Christman makes a few adjustments to the car while Christina Crooks watches. The cool cruisin' '62 Bel Air was photographed by Rich Boyd.
