

ROD & Custom

OCTOBER 1994 Volume 28, Number 10

44

Marvin Giambastiani's '50 Merc was rebuilt several times before it reached this stage of perfection.

46

If you are into '50s memorabilia and famous old hot rods, you will enjoy browsing through John LaBelle's garage.

86

Doane Spencer's '55 T-Bird was one of the hottest and best-handling cars in the '50s and '60s. Now it has been rebuilt to '90s specifications.

ON THE COVER: Jim Brown photographed the editor's house on a typical weekend. The hot little coupe under construction belongs to Fred Buring. The '50s-style Merc and Deuce were shot in Hummelstown, Pennsylvania by Don Emmons.
