Volume 33, Number 9

36 So-Cal Speed Shop's Shane Weckerly found a Willys sedan basket case and turned it into a hard-core drag-style street rod. Definitely a bad Gasser!

40 If you're looking for trouble, you've come to the right place, this muscle-bound Anglia will kick sand in your face. Just ask the owner, John Svetec.

98 Donovan was really into "Mellow Yellow," and you will be too when you get a look at Richard Zocchi's '56 Lincoln Custom.

ON THE COVER: Sheriff and full-time photographer Scott "Quick Shot" Killeen captured these four legendary fast guns of the Old West. To the Indian tribes of the area, they were known as Chip "Fire From Cheeks" Foose, Brett "Break Like Wind" Gregory, Chuck Dances With Skunks" Lombardo, and Rich "Thunder Down Under" Boyd. The long, low, cool blue Lincoln Custom was photographed by David "Little" Featherston.
