QUAIL—THE HARD WAY!

TESTING COLT'S NEW
TROOPER MK III

The most versatile of guns, the drilling is typified by this classic Krieghoff gun. Chambered for the 16 ga. shell in the two smooth-bore barrels, the rifle barrel is chambered for the traditional German hunting cartridge, the 7x57R. Despite its age, the 7mm Mauser is still one of the best game-getters.

Question Policy

We respectfully request that readers enclose one dollar (\$1), either check or money order, and a stamped, self-addressed envelope with all letters which ask information of a technical nature from any of our columns. This dollar helps us pay the writer-experts for their research and letter-answering time.

The most interesting letters and answers will be published, unless you state that you want your letter kept confidential.
