MEET THE MILLION-DOLLAR FISHING MOTOR SEA-HORSE 9 1/2

PACKS LIKE A 3 In fact, it's 3" shorter. And with no projections on its starboard side, it lies flat in small places.

TOTES LIKE A 5 1/2 Its weight is a near stand-off and its carrying handle is located at exact center of balance.

GOES LIKE A 10 Here's one case you can believe your eyes. This Sea-Horse 9 1/2 gives you truly big dig. All controls are located on front panel for easy access.

Fishermen, sportsmen and boatsmen please note: this new Johnson Sea-Horse 9 1/2 is your dream come true.

It's little. It's light. It's lively. Super quiet—and super thrifty, too. A new down-draft carburetor and "downhill" induction system plus new 50 to 1 gas-oil mix mean maximum fuel economy every time you take it out.

More? You bet! A new tilt-drive mechanism allows you to run at slow speed in shallow water or over sand bars. Also—this new beauty has a low profile that gives you unlimited fishing room over the stern.

And just like all the other '64 Johnsons (13 models, 9 power classes, 90, 75, 60, 40, 28, 18, 9 1/2, 5 1/2, and 3 hp), the new 9 1/2 is

built to resist salt water corrosion and carries a special 2-year warranty.* Visit your Johnson dealer. He's listed in the Yellow Pages. Johnson Motors, 1618 Pershing Rd., Waukegan, Illinois. Div. Outboard Marine Corporation.

*For twenty-four months after purchase, Johnson Motors will replace, without cost to the original purchaser, any part of its manufacture which upon inspection proves to have failed in normal use due to faulty material or workmanship.

SEE YOUR JOHNSON DEALER FOR THE FABULOUS NEW LP JAZZ ALBUM "THE HOT ONES." ONLY \$1.00!
