## Big Ben

If you'd rise early, just say when  
 And leave your call with him—Big Ben

**D**OWN in our hearts  
 we're punctual men  
 but we can't help  
 oversleeping now and then  
 any more than we can help  
 talking in our sleep.

For man is only partly  
 conscious when he first opens  
 his eyes after a heavy sleep.  
 He needs help to get wide-  
 awake at once. He'd get  
 up on time if he only realized  
 the time.

Big Ben makes him realize  
 it.—You can try for yourself.  
 Go to sleep and sleep your  
 best. Forget the rising hour.  
 He'll call you on the dot at  
 any time you say.

A community of clock-  
 makers stands back of him—  
*Westlox, La Salle, Illinois.*  
 If you can't find him at your  
 jeweler's a money order for  
 \$2.50 sent to them will bring  
 him to you express prepaid.
