

It's like dancing.

You glide along the city streets.
You and an unseen partner.
You touch. You smile, from time to time, as
scenes unfold on cue.
And, all the while, your shoes lay down a
steady beat. Snug. Light. Secure. They cradle
and protect your feet.
As an audience of idle kids and passersby
watch you float effortlessly by.
High. On the Brooks feeling. The Brooks
Sensation. Sensational.

The Lady Vantage Supreme Features:

Perforated Midsole. Scientifically designed perforation pattern flexes naturally with your foot and protects delicate metatarsals.
Custom Contour Insole. Molds to your foot as you run for custom fit at heel and arch.
Varus Wedge. 4° midsole wedge reduces twisting of the foot and lessens heel impact to help prevent foot, ankle, knee, and back problems.
Reinforced Racing Stud Sole. Cushions every footfall and dissipates road shock. Reinforced heel extends sole life.
