

## A woman's mustache

We're calling a mustache a mustache, so we can tell every woman how easy it is to remove every trace of facial hair with *Nudit*® by Helena Rubinstein.

There's nothing like it...a complete depilatory treatment in one kit. And all it takes is minutes.

First, you cream on *Nudit*, to melt away hair below the surface. Then, you follow up with Helena Rubinstein's exclusive Super-Finish® Cream to leave your skin feeling smooth and deliciously pampered.

It's so feminine...so fragrant. Truly effective and so much nicer than unsightly shaving or messy bleaching.

*Nudit* and Super-Finish® Cream together in a complete kit is \$1.75, plus tax. But you can try it free. Write Helena Rubinstein, Inc., Box 95, New York, N.Y. 10046, for a free sample. Enclose 25¢ to cover mailing and handling.

## Shaving your legs?

It shows! Leaves ugly stubble every time. With *Nudit* there's nothing but satiny smoothness. Melts hair away below the surface. And the "Growing-in" time is longer.
